Independent Auditor's Report To the Board of Directors of Deposit Insurance Corporation Amman – Jordan

Report on the financial statements

We have audited the financial statements of Deposit Insurance Corporation (Legal Corporation with financial and administrative independence) which comprise the statement of financial position as at 31 December 2013and the statements of revenues and expenses, changes in equity and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards (IFRSs), and for such internal control as management determines necessary to enable the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit, We conducted our audit in accordance with International Standards on Auditing, Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement, An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements, The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error, In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control, An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements, We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the corporation as at 31 December 2013, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS).

NOTES TO THE FINANCIAL STATEMENTS AT 31 DECEMBER 2013

(1) General

The Corporation was established by virtue of law number 33 for the year 2000 on 17 September 2000 (the Corporation Law).

The major purpose of the Corporation is to protect depositors with banks by insuring their deposits in accordance with the provisions of the Corporation Law in order to encourage savings and strengthen confidence in the Kingdom's banking system. Consequently, the Corporation would promptly reimburse depositors of member banks within certain limits, if any member bank is liquidated, by reimbursing all depositors up to JD 50,000 while encouraging large depositors to monitor banks with which they hold their deposits alongside the continuous supervision by the Central Bank of Jordan.

All deposits in Jordanian Dinars held with member banks are fully insured if the amount deposited is JD 50,000 or less, and up to JD 50,000 if the deposit exceeds JD 50,000, except for branches of Jordanian banks operating outside the Kingdom and Islamic banks licensed to operate in the Kingdom unless any one of the Islamic banks decides to join the Corporation.

The Corporation is the sole liquidator and legal representative of any bank under liquidation.

(2) Summary Of Significant Accounting Policies

The principal accounting policies applied in the preparation of these financial statements are set out below, These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of preparation

The financial statements of Deposit Insurance Corporation, have been prepared in accordance with International Financial Reporting Standards (IFRS).

The financial statements have been prepared under the historical cost convention.

The financial statements are presented in Jordanian Dinars.

2.2 Changes in accounting policy and disclosures

- (a) Standards have been adopted by the Corporation for the first time for the financial year beginning on or after 1 January 2013, which had no material impact on the financial statements of the Company:
 - Amendment to IFRS 7, 'Financial instruments: Disclosures', on asset and liability offsetting.
 - IFRS 13, 'Fair value measurement'.

- (b) The following new standards and amendments to standards and interpretations have been issued but are not effective for the financial year beginning on 1 January 2013, and have not been early adopted.
 - IFRS 9, 'Financial instruments', addresses the classification. measurement and recognition of financial assets and financial liabilities issued 2010, effective 2015.

There are no other IFRSs or IFRIC interpretations that are effective and would be expected to have a material impact on the corporation.

2.3 Cash and Cash equivalents

Cash and cash equivalents comprise current account at Central Bank of Jordan.

2.4 Property and equipment

Property and equipment are stated at cost less accumulated depreciation and any accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Corporation and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are charged to revenues and expenses during the period in which they are incurred.

Depreciation is calculated using the straight-line method to allocate their cost or revalued amounts to their residual values over their estimated useful lives based on depreciation rate as follows:

	Depreciation Rate
	%
Building	3
Vehicles	15
Computer and Telecommunication	10 - 25
Furnitures and Decorations	10 - 15

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised within 'Other (losses)/gains – net' in the statement of revenues and expenses.

2.5 Revenue recognition

Revenue from membership fees, interest on financial assets held to maturity and interest on housing loans granted to employees are recognised when accrued.

2.6 Financial assets held to maturity

Held-to-maturity financial investments are those which carry fixed or determinable payments and have fixed maturities and which the Corporation has the positive intention and ability to hold to maturity.

When investments are classified as held to maturity they are initially recognised at cost, being the fair value of consideration given including directly attributable transaction costs, After initial measurement, held-to-maturity financial investments are subsequently measured at amortized cost using the effective interest method, less allowance for impairment, Amortised cost is calculated by taking into account any discount or premium on acquisition and fees that are an integral part of the effective interest method.

(3) Financial Risk Management

3.1 Financial risk factors

The Corporation's activities expose it to a variety of financial risks: market risk (comprising: currency risk and Cash flow and fair value interest rate risk), liquidity risk and credit risk. The Corporation's overall risk management programme focuses on minimising potential adverse effects on the Corporation's financial performance.

a. Market risk

Foreign Currency risk

All Corporations' transactions are in Jordanian Dinar. Accordingly it is not exposed to foreign exchange risk

Cash flow and fair value interest rate risk

The corporation has interest bearing bonds and bills. All bonds and bills carry fixed interest rate risk.

b. Liquidity risk

Liquidity risk is defined as the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The corporation is not exposed to liquidity risk.

c. Credit risk

Credit risk in the corporation arises from the employees' loans and other debit balances. Cash is maintained in the Central Bank of Jordan and financial assets held to maturity are issued or guaranteed by the Jordanian government. Accordingly the Corporation is not exposed to credit risk.

3.2 Financial instruments by category		
• • •	2013	2012
	JD	JD
Assets as per statement of financial position		
Financial assets held to maturity	384,195,100	325,235,290
Loans and receivables and cash		
Employees' housing loans	849,722	815,180

(6) Capital

This item consists of the following:

- a. JD 1 million paid by the Government of Jordan.
- b. A non-refundable initiation fee of JD 100,000 paid by each member bank. Total initiation fees amounted to JD 2,300,000 as of 31 December 2013 and 2012.

(7) Reserves

According to articles (18) and (19) of the Corporation's law, the Corporation must form reserves for itself amounting to 3% of total deposits that are subject to the provision of this law. If the Corporation's reserves do not reach the limit established by its laws within 10 years of the law's effective date, or if a bank liquidation is decided, the Corporation's Board of Directors may increase the banks' annual membership fee to not more than double of the annual membership fee. However, if the Corporation's reserves exceed the established limit, the Corporation's Board of Directors may decrease the annual membership fee or exempt banks from paying the fee for one year or more as the circumstance require.

The Corporation reserves consist of the annual membership fees paid by banks, the return on the investments and any other returns, net of the Corporation's expenses.

(8) Membership Fees

This item represents the amount of the bank annual membership fee paid to the Corporation at the rate of 0.25 % of the total deposits that are subject to the provisions of the law as of 31 December 2012.

The following are excluded from the deposits subject to the provisions of the law:

- a. Government deposits.
- b. Inter bank deposits.
- c. Cash collaterals within the limits of the value of the extended facilities guaranteed by the said collaterals.
- d. Credit balances of overdraft facilities.

Total deposits subject to the provisions of the law amounted to JD 13,908,967,353 as of 31 December 2012 (2011: JD 15,161,241,090).
